There's a jump rope song that kids have been singing for ages. I heard it recently and it really brought me back. It goes, "The postal worker dropped some things ♪ Let's help him pick them up One letter ♪ Two letters ♪ Three letters ♪ ... Ten letters ♪ Thank you sooo much ♪" It's very cute. But is that one letter the only thing a postal worker loses? Honesty ♪ Youth ♪ Friendship ♪ Freedom ♪ The gleam in his eyes ♪ His spirit of adventure ♪ *Thank you sooo much (bawling) ♪* Let's get volume 80 started!!

-Eiichiro Oda, 2015

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

I SENT HER A LETTER...

DOES REBECCA KNOW ABOUT THIS?!

HOW CAN THAT BE FOR THE BEST?!

I WON'T HAVE HER FUTURE HAPPINESS RUINED OVER A TEMPORARY FIT OF EMOTION.

Q: Hello, Odacchi. I'll be frank with you. When Brannew mentions the "man previously described" in Chapter 700, Volume 70, who is he talking about? Is it someone we've already seen?

--Someone who wants Odacchi to say "Start the SBS"

A: Aww, what a nice pen name. What's that? You want me? To start the...? Oh!! It already started!!! ⚡
Okay, let's go.

Yes, the final warlord shall be revealed in this very BOOK. Check out Chapter 802, scream your lungs out, and look forward to what this character does in the future.

Q: What does the "SOL" on the one-legged soldier's hat mean?

--Takaaki T.

A: It's short for "Soldier."

Q: Can you turn into Hentai Kamen (Pervert Mask), Odacchi?

--Takaaki T.

A: I can.

Q: Why is Corazon's fruit called the Calm-Calm Fruit?

--Takaaki T.

A: Because that is the adjective that describes no wind and quiet waves on the sea.

SBS Question Corner

(Sasaaki, Okinawa)

Q: Ever since I started watching *One Piece*, I've been wondering why Sanji calls Nami "Nami-san," and Robin "Robin-chan" in Japanese? Robin's the older one, so she should get more respect!! Is there a deep meaning to this?!

--Miracle ♪

A: I've never really thought that deeply about it. Recently, one of my staff members asked an interesting question. He said that as women get older, they like to be treated as though they're younger, and they like to be treated older when they're young. He asked if Sanji realized that, and was acting accordingly. So I said, "Y-yes. Absolutely."

Q: I have a report to make! I was once printed in the fan art section of Volume 19 under the name "YapotPapi." Well, now I've made my debut as a manga artist, although my area is in educational manga, not entertainment.

AMONG THE DEAD IS ONE OF THE DONQUIXOTE FAMILY OFFICERS!

THE BARRELS PIRATES, THE LIFE OF MY SUBORDINATE, THE OP-OP FRUIT...

FOUR THINGS DISAPPEARED IN THE CHAOS OF THAT FATEFUL DAY.

I HAD BEEN BETRAYED... BUT THERE MUST HAVE BEEN A REASON FOR IT.

IT WAS ME.

THAT'S RIGHT...

AND... A BOY WITH WHITE LEAD DISEASE WHO WAS WITH THE DONQUIXOTE FAMILY AT THE TIME.

...AND ULTIMATELY DIED, TO KEEP YOU ALIVE?

AND ROCINANTE WENT AFTER THE OP-OP FRUIT...

I JUST WANT TO KNOW EXACTLY WHY HE DIED!

...

AND WERE YOU THE REASON WHY ROCINANTE LEFT HIS POST FOR HALF A YEAR?

AS I THOUGHT.

YEAH... HE WAS TAKING ME AROUND TO DIFFERENT HOSPITALS.

SO I LIVED MY LIFE IN ORDER TO STRIKE DOWN DOFLAMINGO FOR HIM!!!

YEAH, THAT'S RIGHT! WE WERE SUPPOSED TO ESCAPE TOGETHER!! IN THE END...

...I GOT BOTH MY LIFE AND MY HEART FROM HIM!! I OWE HIM EVERYTHING!!!

I COULDN'T SAY.

...

BUT AT THE VERY LEAST, I'M CERTAIN ROCINANTE DIDN'T KNOW...

IT'S MY HIDDEN NAME... JUST LIKE STRAW HAT'S!!

...!!

SAY, DO YOU KNOW ANYTHING ABOUT THE "D"?

BUT I DON'T KNOW IF THIS IS THE "D" WAY OF LIFE THAT CORA WANTED FOR ME.

!!
"D"?

YET ANOTHER ONE... THE "D" ALWAYS FOLLOWS A CHECKERED FATE.

!!!

HEY, LAW!!

SO HE CERTAINLY DIDN'T SAVE YOUR LIFE FOR THE SAKE OF THAT.

DON'T EVER ATTACH A REASON TO THE LOVE YOU'VE RECEIVED!!!

I LOVE YOU!!

BUT IF YOU REALLY WANT TO DO SOMETHING FOR H.M...

...IS A PIRATE !!

TO THINK THAT THE ONLY MAN WHOM I COULD SHARE MEMORIES OF ROCINANTE WITH...

IF I WERE STILL ON THE FORCE, I'D LOCK YOU IN A CELL...

...SO WE COULD HAVE A NICE LONG CHAT...

YOU CAN LIVE FREE...

I'M SURE THAT'S WHAT HE WOULD TELL YOU.

THAT SHOULD BE ENOUGH...

...THEN LET US BOTH KEEP HIM IN OUR MEMORY...

....!!

WHAT'S THAT?!

THE RUBBLE IS FLYING INTO THE SKY!!!

IT LOOKS LIKE--!!

!!KOO !!KOO !!

HIYA HO HO! NOW THAT'S A WIDE-RANGE ATTACK!

IS HE USING THAT...

...AS A WEAPON?!

OHMY-GAHH !!!

ARE YOU KIDDIN' ME?!

...I RECKONED IT WAS ONLY IN THE WAY...

...SO I TOOK IT UPON MYSELF TO USE IT.

WELL...

...BY THOSE INFERNAL PIRATES.

THE REMAINS OF THE BATTLE LEFT BEHIND...

IT'S THE WORK OF ADMIRAL FUJITORA!!!

わあああああああああわあああ!!

ALL THE RUBBLE OF THE KINGDOM... IS GATHERING IN THE AIR OVER THE EASTERN PORT!!!

(Michi Nakahara, Tottori)

Q: Odacchi, I'll give you a nudie mag if you answer my question! Sanji will not allow people to leave food scraps behind, but what if a woman does it?

--Smoker's Cigar

A: He'd probably eat the scraps off the dish once he took it away. Now where's my nudie mag?

Q: When Robin blooms more hands, there are petals in the air all around her. What type of flower are those petals from?

--One Piece Fanatic

A: That's quite a question. They just "fluff" out of nowhere and make her moves look graceful and elegant, so they're called Fluffflowers. They just fluff into being. Now where's my nudie mag?

Q: Hi, Mr. Oda. I wanted to ask you something. The cover of Chapter 518 is called the homeland of CP9, but it reminds me quite a bit of the eastern tower on Jiangxinyu Island in my hometown of Wenzhou, China. Did you model it on that?

--Haowii, Friend of Shrimp

A: Oooh, that is the very tower. Having grown up in the kung-fu movie generation, I wanted CP9's training ground to be a Chinese-looking locale, and I think that's how I arrived at that image. I figured I was choosing a place in a far-off land, so the thought that a One Piece reader is there too brings me great joy. Thanks for the letter.

Q: I fell in love with Koala the moment that she hugged Robin! \ (^o^) /
How exactly did Koala, Sabo and Hack come together?

--One Piece Fanatic

A: A lot of people seem curious about this, but that is three life stories to tell. It would never end if I got

started on that. First, Sabo was ten years old when Dragon rescued him. As he met more revolutionaries and learned about what was happening in the world, their ideals resonated with his own. It was around that time that he met Hack, who was teaching fish-man karate to the orphans taken in by the Revolutionary Army. But while Sabo had no memory, he was already beyond the need for lessons in fighting. He took Dragon as his master, showed his skill in battle, and grew frightfully strong. When he was 13, a 14-year-old Koala joined the Revolutionaries through Hack's introduction. After some time, she learned fish-man karate from Hack and became an assistant instructor. Careful, watchful Hack and Koala were a good match for Sabo, and they were assigned various missions as a team. That's about the order

of events that brought them together. There's a bit more elaboration in the anime, but there won't be time to tell the entire backstory, so go ahead and imagine it for yourself.

(Snir, Australia)

Q: In the flashback to the Corrida Coliseum in Chapter 794, Luffy says, "Bwat hadda gug thod yuza deah!!! Whah kuh bom da flubba ahh ga ueaahh!!" What exactly is he trying to say? If I could interpret, it would be "What the hell, I wanted to spend so much more time with you!!! Man... Odacchi's obsession with big boobs is crazy, right?" Is that correct?
--Shuntamu from Kumamoto

A: Bzzt, wrong. The latter part was so wrong, it practically defies belief. The correct answer is this: "What the hell, where have you been all this time?!! I was so sure you were dead. I'm so glad. By the way, Odacchi's obsession with BIG BOOBS is crazy, right?"

Q: Mr. Oda! Heso! I noticed that the ruined island Balloon Terminal that Urouge was on recently had a ton of balloons stuck to it... Is it floating with the power of the balloons?!

--Kamiki

A: You were looking very closely (^ ^). That's right! Balloons are packed full of helium gas, the very personification of the "desire to fly." We've all seen what happens when a child lets go of a balloon and it flies away to much crying and screaming. So where do those balloons go? That's right: to this, the final destination of all balloons, Balloon Terminal. It's a sky island born from the carelessness of children, wandering the skies. At one point a culture flourished atop it, then died out, but it still flies on.

Q: So why do all the nobles of Goa Kingdom (aside from Sabo) and the Celestial Dragons (aside from Dofy and his family) look so ugly? Is it because they're so ugly on the inside? Knowing you, there's a verrrry deep reason, so I would love to hear it.

--Neverending Summer Vacation Homework (cry)

A: Well, you see, I really hate those guys!!

The way they abuse their power like that! I don't understand what makes them so special. Well, if they're not going to have a shred of kindness and decency, then I'm gonna draw 'em with weird faces!!! ...Oh! ♪ Sorry. I got carried away there.

Q: After the fight with Diamante, I thought it was odd that Rebecca's cape was so torn, given that Robin was keeping her safe. Upon closer look, it seems that she ripped it up to tend to Kyros's wounds. Aren't you worried this might be a little too sexy?

--Peko

A: I am in admiration of your imagination and observation! That's right. Rebecca used her cape to staunch the bleeding for Kyros. At first, I was going to have her use a lot more of her cape for first aid, but it was really getting much too sexy! So I held back and only ripped half as much of her cape!! Whew, that's better!! Rebecca really needs that cape!!

WHAT ELSE IS NEW... YOU SEE EYEBROW?

LUFFY JUMPED DOWN!!

NO! AT LEAST, NOT FROM HERE!

THEY WERE SNAPPED OFF THE HINGES.

THESE GATES WEREN'T LEFT OPEN...

HANG ON! I'D RATHER WALK THROUGH THAN JUMP.

HE DIDN'T NEED TO JUMP OVER; THE GATE'S ALREADY WIDE OPEN.

AND A FRESH ONE, AT THAT! ARE THEY ALL RIGHT?!

IT LOOKS LIKE A TRAIL OF DESTRUCTION TO ME!!

IT'S A LITTLE TOO WIDE TO BE AN ANIMAL TRAIL IN THE WOODS.

GOOD POINT! AND THERE'S SOMETHING WRONG WITH THE ROAD HERE!

UGH...

WE DON'T KNOW A THING ABOUT THE PEOPLE WHO LIVE HERE...AND THEY'VE GOT ENEMES?!

WHAAAT ?!!

WE GOTTA BE CAREFUL.

CHIK..

THE FLOWERS GROW IN ODD LOCATIONS HERE.

BECAUSE IT'S ELEPHANT SKIN.

(Hayato Asami, Kanagawa)

Q: Hello, Oda Sensei. I noticed that on the cover page of Chapter 766, if you read the top character on each menu item from left to right, it spells out (redacted). Also, there's (redacted), (redacted) and (redacted)!! This chapter was in the same issue of *Weekly Shonen Jump* as the final installment of *Naruto*, right? I guess it must have been a very special manga for you.

--Gokira

A: Yes, you're right about that. But it is a "hidden message," you see, and I'm not going to reveal my secret on my own, so I chose to omit the answer from this letter. But I did get many curious questions from people who only read the collected volumes, so I decided I ought to explain the situation and my thoughts on it. Of course, I'm sure everyone knows about the ninja manga named *Naruto*, which concluded its run after fifteen long years in *Shonen Jump*. The cover of the *One Piece* chapter from that final issue was this. ➔ There are a number of messages hidden in it. Many people seem to think that *One Piece* and *Naruto* are enemies, but as a matter of fact, I've been a close friend of Masashi Kishimoto, the author, for years (laughs). With how fierce the competition is to stay in the pages of *Jump*, I was delighted to have company for so long. It also helps that we're the same age. At this moment, Kishimoto has escaped the hell of weekly serialization and is kicking back, doing a bit of work here and there, and generally relaxing and enjoying himself. (^ ^)
